Response to Amendment

1. This action is responsive to amendment received on June 23, 2004.

Claims 1-2 are cancelled. Claims 3,5,9,10 and 12 are amended.

Reasons for Allowance

2. Claims 3-22 are allowed over the prior art of record.

The following is an examiner's statement of reasons for allowance:

Present invention relates to Doppler frequency estimation. The prior art of record, Love (WO 94/18752) discloses a similar system having plurality of fingers and a Doppler estimator. However, Love fails to disclose a "Doppler frequency estimator configured to use two or more channel estimates from one of the plurality of fingers to generate a Doppler frequency estimate". This underlined unique feature renders claim 16 allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
